Bandon was rebuilt after a devastating 1936 fire destroyed the entire business district and most of the residences. A brick chimney on the site of the old bakery stands as a memorial just off Hwy 101. To-

day the Old Town district is a thriving tourism community. Bandon's "Historic Old Town," located on the marina is filled with galleries, culinary specialties, restaurants, boutiques, and souvenir shops.

The scenic beauty that Bandon offers is unparalleled...Located on the Southern Oregon Coast at the mouth of the Coquille River, Bandon will delight you with its charm. The area is home to four of the world's premier golf courses, wide sandy beaches with breathtaking sea stack rocks, a river teeming with fish, quaint shops and delectable restaurants. And for all that it has to offer, it remains charmingly undiscovered and unspoiled.

For your group and FIT clients visiting Bandon, we have created a list of recommended businesses including contact information for sample ideas of tours, attractions, outdoor adventure, restaurants, and hotels.
